**Target Audience** - Physician member of the Medical Alumni Association

**Scientific Conference Objectives**

*Upon completion of this education activity, participants will be able to:*

Jim Alford, MD – 1. Explain general concepts regarding how the Alabama Physician Health Program (APHP) functions. 2. Identify specific steps to take if you become concerned about a colleague. 3. Describe how confidentiality for participants helps accomplish this goal.

Mike Wilkerson, MD – 1. Identify common clues seen in the addicted physician. 2. Review the treatment components needed for the addicted physician. 3. List the key components of an effective monitoring program.

Greg Skipper, MD – 1. Define disruptive behavior. 2. List the causes of disruptive behavior. 3. Explain how to best deal with disruptive behavior in a physician.

Steve Schenthal, MD – 1. Discuss the prognosis for treatment of sexual disorders among physicians and the basics of treatment and monitoring sexual disorders. 2. Discuss the basic cause of addiction and its frequency, symptoms and prognosis among physicians. 3. Describe how to refer someone to the Physician Health process within the hospital or to the state Physician Health Program, as appropriate.

Sandra Frazier, MD – 1. Identify the factors that form the foundation for a balanced, successful life. 2. Examine vulnerabilities of helping professionals. 3. Explain the purpose of the Physician Resource Office at UAB.

Steve Furr, MD – 1. Describe the relationship between the Alabama Board of Medical Examiners and the APHP. 2. List several examples of issues that can jeopardize your license and how to avoid them. 3. Differentiate MD degree and having a medical license.

**Speakers' Relevant Commercial Relationships** – None of the speakers disclosed any financial relationships to the content to be presented.

**CME Planners** – Alan Dimick, MD, Theodis Buggs, MD, Gerhard Boehm, MD & Betty Ruth Speir, MD – None of the planners disclosed any financial relationships to the content to be presented.
